

CU-Denver

Recycling and Waste Reduction

Coordinator: Craig Bisgard
General Services Manager
Facilities Management
AHEC, Box D, FM
(303) 556-2211
bisgardc@ahec.edu

Materials currently recycled:

- Aluminum
- Corrugated cardboard
- Newspaper
- Plastics
- White paper

Purchasing

Coordinator: Facilities Service
(719) 262-3315
Director Facilities Service
CSB 212
tostenbe@uccs.edu

Green Building

No recent or future plans

Energy

Coordinator: Facilities Management
(303) 556-3260
AHEC, Box D, FM

Long range development plans:

- Underwent joint energy saving program 2 years ago
- Installing electronic lighting ballasts throughout campus
- New energy efficient chillers and control systems campus wide
- Installed solar film on all campus buildings
- Dimming controls on some lighting

Toxins (chemicals, pesticides, and other hazardous substances):

<p>Coordinator: Ray Allen Manager, Environmental Health Facilities Management AHEC, Box D, FM (303) 556-8397 allenr@ahec.edu</p>
--

Minimizing hazardous substances used and wastes generated:

- Hazardous Material training

Use of pesticides on campus:

- Minimal

Environmental Studies

Programs Offered:

- Masters in Environmental Sciences
- Urban and Regional Planning
- Undergraduate majors have environmental tracks

Environmental Literacy

Raising environmental awareness to non-majors

- ENVS 1042 is an environmental science lab core course for non-majors

Environmental organizations/committees/advocates

- CO-PIRG
- Air and Waste Management Association, student chapter

Transportation

Public transportation:

- Eco pass with RTD

Bicycle friendly:

- Yes

CU-Health Sciences Campus

Recycling and Waste Reduction

Coordinator: Joann Gonzales Recycling Coordinator Campus Box A067 email: joann.gonzales@uchsc.edu
--

Materials currently recycled:

- Aluminum
- Glass bottles and jars
- High grade paper
- Low grade paper
- Plastic

Purchasing

No green purchasing

Green Building

No green building or future plans

Energy

Coordinator: Carol Calkins, PhD. (303) 724-0028 Facilities Operations Director Campus Box F410 carol.calkins@uchsu.edu

No green power

Toxins (chemicals, pesticides, and other hazardous substances):

Coordinator: Bob McGregor

(303) 315-1427
CSA Facilities Operations
Campus Box A078 HSC
Bob.McGregor@uchsc.edu

Uses pesticides in buildings and on campus grounds

- Have a program that is considering alternatives
- Specific concerns about use of pesticides in a research/biomedical environment where research could be damaged or destroyed

Environmental Studies

Program Chair Phoebe Barton

(303) 315-8350
Professor-School of Medicine
Campus Box B11E

Phoebe.Barton@uchsc.edu

Environmental Medicine residency for MD's

Environmental Literacy

No programs

Transportation

Coordinator: Linda Rubin-Royer

(303) 315-5714
Director of Parking
Transportation
Campus Box A083
Linda.RubinRoyer@uchse.edu

Public transportation:

- Campus operated shuttle
- RTD passes can be purchased on campus

Bicycle friendly:

- Yes

CU-Colorado Springs

Recycling and Waste Reduction

<p>Coordinator: Facilities Service (719) 262-3315 CSB 212</p> <p>tostenbe@uccs.edu</p>
--

Materials currently recycled:

- Aluminum
- Corrugated cardboard
- High grade paper
- Low grade paper

Purchasing

No program for green purchasing

Green Building

Long range development plans, which contain environmental criteria

- No examples given

Energy

<p>Coordinator: Glenn Carlsrund Facility Service And Architect/Planner (719)262-3352 Design/Planner CSB 213</p> <p>gcarlsru@uccs.edu</p>
--

Energy efficient programs:

- Passive solar energy

Efficiency upgrades

- Sensor switches

Toxins (chemicals, pesticides, and other hazardous substances):

Pesticides used on campus

No program to consider alternatives

Environmental Studies

No programs offered

Environmental Literacy

No programs

Transportation

Coordinator: Larry Hiatt

(719) 262-3201

CSB 201

lhiatt@uccs.edu

Public transportation:

- Campus shuttle
- Reduced cost bus passes

Bicycle friendly:

- No
